oscarscause.org

Oscar's Cause provides financial assistance for non-emergency veterinary needs. Non-emergency medical assistance is defined as non-life-threatening medical care, such as dental treatments, shots, or spay/neuter. To receive financial assistance for medical emergencies (defined as any or all happenings that will result in imminent loss of life or limb) you must fill out the request for assistance form in its entirety complete with photo, then call the emergency hotline at 863-325-6508 for further instruction. Oscar's Cause may vote to waive or delay any of the standard requirements in the case of a pressing emergency.

Frankie's Friend

frankiesfriends.org

Frankie's Friends Fund provides financial assistance grants to family-owned pets in need of lifesaving emergency or specialty veterinary care whose caregivers cannot afford the full cost of treatment. This program is designed to help with the treatment of emergency and specialty medical conditions where the pet would otherwise suffer, be euthanized, or relinquished without proper veterinary care. Before applying, you must have an estimate of the cost of care from a veterinarian that has already seen your pet, a clear diagnosis, and a specific treatment plan with a "good" prognosis.

Banfield HOPE Fund

The Banfield Foundation's HOPE Fund offers financial assistance for income-qualified pet owners whose pet is suffering from an immediately life-threatening condition. You do not need to be an existing Banfield Pet Hospital client to apply for HOPE Funds, but treatment will need to be done at a Banfield Pet Hospital. To request assistance, simply schedule an appointment at any Banfield location and inquire about the HOPE fund.
